

Word Formation

Read the text and then write the correct form of the word on the right:

People of the Forest

This TV (0) ... documentary follows a family of chimpanzees who live in the forest of Tanzania. Set in (1) ... scenery the programme gives us a fascinating insight into the life and social (2) ... of these creatures. (3) ... we humans share 98% of our genes with chimpanzees; indeed, they are our closest relative in the animal (4) ... and scenes in the documentary offer clear evidence of our (5) The focus of the film is on Fifi and we first see her as a (6) ... five-year-old who spends all her time annoying her younger brother. Meanwhile, the older male chimps seem to be involved in an endless fight for (7) And it is no surprise to learn that while all this is taking place the females are left to deal with day-to-day matters.

Make sure you set aside an hour to watch this. The splendour of the location makes this programme worthwhile viewing, although our (8) ... to these animals will make you think.
